

# Pan Bowl Lake

## LOCATION AND FACILITIES

Pan Bowl Lake was formed by a channel relocation of the South Fork of the Kentucky River and the emplacement of two highway-fill dams. This lake is located in Breathitt County just north of Jackson. Facilities include a boat ramp for launching your own boat. Limited access is available around the lake. This lake was built in 1963 and opened to fishing in 1964.

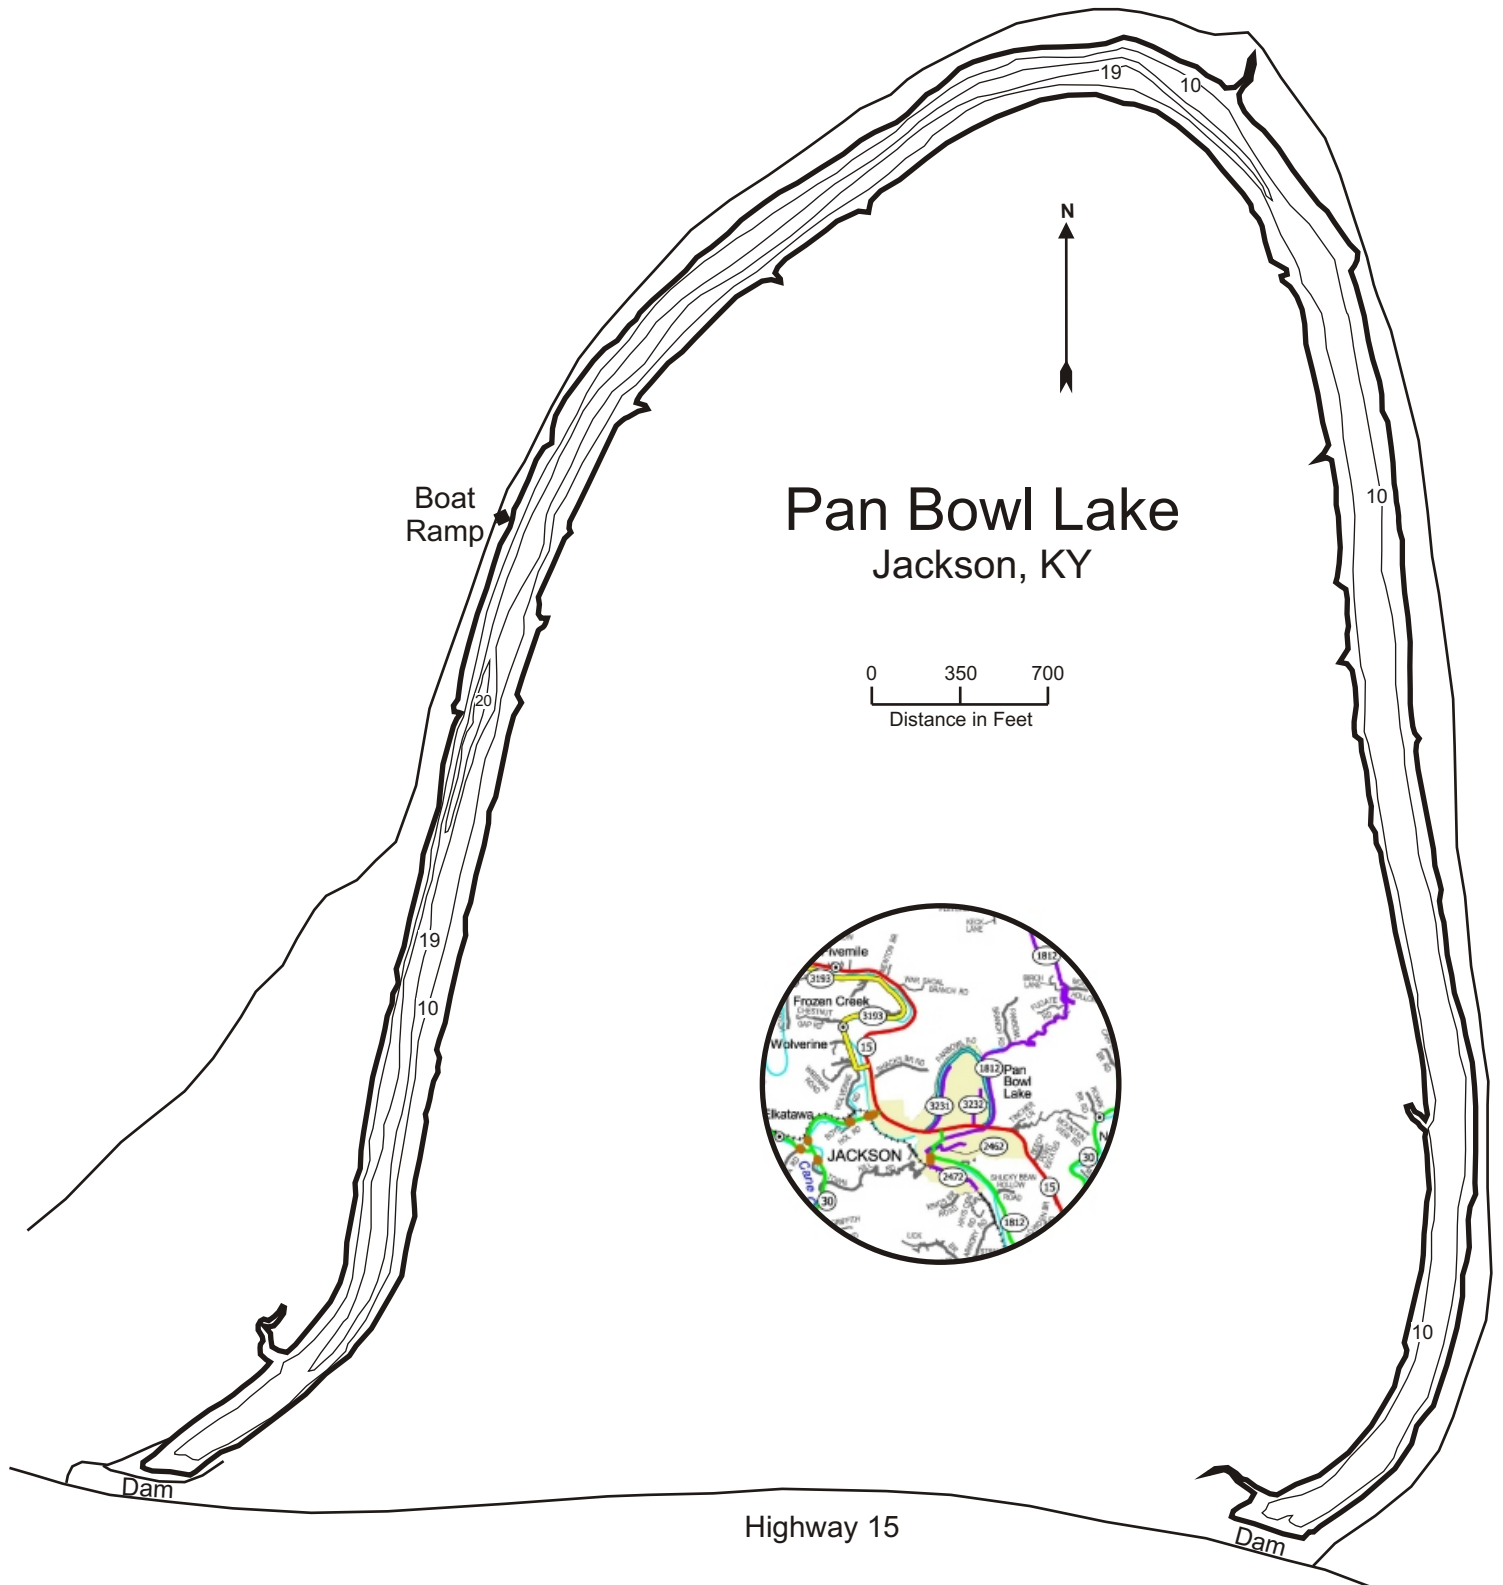

## THE FISHERY

Species present include largemouth bass, bluegill, channel catfish, black and white crappie, carp, redear sunfish, gizzard shad and brook silverside.
